

Ronald Williams

President, Gary-Williams Energy

DPS Foundation board member since January 2002

Mr. Williams is president and chief executive officer of Gary-Williams Energy Corporation, a Denver based private company. He is responsible for policy development, planning and overall management of all operations which include refining, wholesale marketing and oil and gas exploration activities.

Williams is a member and past chairman of the board of directors of Children's Hospital and a member of the board of The Children's Hospital Foundation. Currently, Williams is serving as co-chair of the Imagine the Miracles Campaign for The Children's Hospital. He is on the board and executive committee of the National Western Association, vice-chairman of The Piton Foundation.

He is married to Cille and has a daughter and two sons.
