

Scott Nelson Russell

Vice President and General Manager in Denver, Northern Colorado Markets for CenturyLink
DPS Foundation board member since November 2011

Scott Russell is the Vice President and General Manager in Denver and Northern Colorado Markets for CenturyLink, the third largest telecommunications provider in the United States. He leads a team of more than 750 employees who are responsible for CenturyLink’s operational and business performance. In this role, Russell is also responsible for the community investment and development for CenturyLink. Prior to CenturyLink, Russell held various leadership roles at Qwest, Level3 Communications, AT&T Broadband and US West. These positions covered a broad spectrum of disciplines including marketing, product management and development and business development. Russell is a graduate of the University of Colorado, Denver, where he earned a master’s degree in marketing, 1998, and a bachelor’s degree in business administration from Lewis & Clark College, Portland, Oregon, 1990. He also serves on the Public Education and Business Coalition (PEBC) board.
